FOIA REQUEST

Dear FOIA Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of any and all correspondence, including but not limited to letters, e-mails and text messages, from employees of the Environmental Protection Agency's Office of Pesticide Programs (EPA OPP) regarding the registration review of the herbicide glyphosate (Docket No. EPA-HQ-OPP-2009-0361).

My request pertains only to correspondence that was sent between the dates of Monday, April 25, 2016, and Friday, May 6, 2016. Any correspondence regarding glyphosate that was sent by an EPA OPP employee outside of that date range would not be relevant to this request.

Please do not hesitate to contact me if you require any clarifying information about which types of documents I am seeking. I would also be happy to entertain any good-faith suggestions you may have to modify this request in a way that makes fulfilling it less time consuming for you.

I would like to receive the requested information in electronic format preferably, although hard copies of the documents are acceptable.

I agree to pay reasonable duplication fees for the processing of this request up to the amount of \$49. Please notify me prior to your incurring any expenses in excess of that amount.

Through this request, I am gathering information on that is of current interest to the public. This information is being sought on behalf of Bloomberg BNA for dissemination to the general public.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

I look forward to your determination regarding my request for expedited processing within 10 calendar days, as the statute requires.

Thank you for your assistance.

Sincerely,

A handwritten signature in blue ink, appearing to read "David Schultz".
